School Lunch Trays and Carry Trays
Pactiv’s sturdy, foam and molded fiber trays are available in multiple sizes, perfect for cafeteria and employee feedings. The 5 and 6 compartment school lunch trays offer portion control convenience, and their rigid construction stands up to rugged handling. These attractive trays will also eliminate dishwashing and expensive permanentware replacement.

**FEATURES**
- Improved 5 compartment foam design
- Disposable
- Non-laminated foam trays

**BENEFITS**
- Holds larger portions. Facilitates one handed grab.
- Eliminates dishwashing and expensive permanentware replacement.
- Perfect for fast food, cafeteria and employee feedings.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier’s recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
