

Newspring Packaging Products

VERSAtainer®

microwaveable containers

The VERSAtainer® Microwaveable Containers are offered in square, rectangular, round and oval. The contoured bases and lids of these containers make stacking a breeze. Choose from several standard sizes ranging from 6 to 58 ounces that feature one, two and three compartment configurations. Clear lids simplify product identification, enhance presentation and feature the patented lock-tight lid system to help prevent leakage. These remarkable containers easily go from refrigerator to microwave to dishwasher.

Clear dome lid for easy product identification.

Provides secure stacking for various merchandising settings.

Features Benefits

Heavy Gauge, Microwaveable Product	Withstands microwave temperatures up to 250° F
Dishwasher Safe	Customers enjoy product reusability
Leak Resistant Seal	Maintains food quality and helps prevent messy leaks and spills
Stackable Lids & Bases	Provide secure nesting and stacking for various merchandising settings and helps secure product in place during transportation
Clear Dome Lids	Provide easy identification of prepackaged foods
Variety of Shapes & Sizes	Maximize menu offering and merchandising
Exceptional Temperature Endurance	Allows for a variety of food applications, both hot and cold. Can be stored in freezer, refrigerated or microwaved
Multiple Color Availability	Black and white containers
Combo Packed Containers	Allow bases and lids to ship together in smaller pack quantities and takes up less shelf space
Compartmented Bases & Lids	Separate food and reduces spillage from one compartment to the other

DELTAINER®

microwaveable containers

Do you need a workhorse line of containers designed to hold everything from soup to nuts? DELTAINER® microwaveable containers fill that position very nicely. You'll have a variety of sizes ranging from 8 to 180 ounces to choose from in a clear design. Like all Newspring containers, these are microwaveable, stackable, end-user reusable for the consumer and refrigerator-friendly.

Dry-offset printing offers superior color and graphics.

Clear container design makes product identification simple.

ellipso™

oval portion cups

Who says precision portion control has to be boring? Ellipso™ Portion Cups offer an innovative flair versus traditional cups. Unlike conventional cups, their elegant wide oval opening and smooth-walled design enhance the presentation and appetite appeal of any condiment, side dish or dessert.

They're microwaveable, stackable, end-user reusable, refrigerator-friendly and available in black or clear in six standard sizes.

Makes pouring sauces out of cup easier than with traditional round cups.

Variety of sizes accommodates most requirements including condiments, sides and desserts.

Features Benefits

Microwaveable	Able to contain hot foods and sauces
Snap Lid Fit	Ensures secure closure
Oval Design	Makes pouring sauces out of cup much easier than traditional round cups
Clear Lid	Makes cup content easily visible
Stackable Lids & Bases	Save space
Variety of Sizes	Fit most requirements including condiments, sides and desserts
Convenient	Cups can be prepared in advance of actual use
Glossy Black Finish	Gives great upscale appearance
Dishwasher Safe	Customers enjoy product reusability
