

For Aseptic Packaging...

Reynolon® Shrink Films are the right choice for aseptic packagers.

From soft to rigid, our wide spectrum of film is available in multiple gauges, orientation patterns, and print grade.

And with our preferential shrink film, you can reduce waste by using less overwrap to accomplish the job.

Our high gloss and sparkling clarity will add point-of-sale appeal. Allowing customers to see your product and not the overwrap.

For shrink films that outperform all others... consider it wrapped with Reynolon®.

Our bundling films deliver security and strength to aseptic brick-packs for less 'break-outs' and its high clarity and gloss adds sparkle to your brand.
