Pactiv’s Colossal Cupcake Container is the perfect solution for large decorated cupcakes and muffins. The internal retaining ring holds oversized cupcakes and muffins in place, and keeps product from shifting inside the container. The clear APET dome remains securely closed, and can be stacked for optimal merchandising, and reduces the risk of product tampering. The Colossal Cupcake Container is the ideal way to cleanly merchandise large cupcakes and muffins.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier’s recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
