

Small Chicken Roaster

MFPP (Mineral Filled Polypropylene) Base & PP Lid (Polypropylene)

Introducing **EarthChoice best**, the newest member of the **Pactiv chicken roaster family**.

Why is this roaster simply the *best*?

- MFPP Base and PP lid have high heat tolerance of up to 250°F, microwave-safe and can withstand heat lamps and warming units
- Clear vented lid with anti-fog for exceptional merchandising of the bird and no condensation build up
- Sized to fit chicken 2.5 lbs. or less
- Can be merchandised in hot or cold case

Small Chicken Roaster

MFPP (Mineral Filled Polypropylene) Base & PP Lid (Polypropylene)

Features

Benefits

Use for both hot case and cold case applications	Versatility allows operator to use containers for more than one application reducing the skus the operator needs to carry
Built in anti-fog	Superior Merchandising: the chicken is highly visible through the dome lid & condensation does not build up on the inside of the lid making it hard to see what is inside
Built in venting	Allows steam to vent, keeping food crispy
ZipSeal™ Closure System	Leak-resistant seal keeps the package contents secure during transport. Easy to apply lid has audible snap as indicator that lid is on correctly and will stay on without popping off
MFPP Base is PP blended with minerals	Reduces the amount of plastic in the product
New EarthChoice best Polypropylene(PP) lid and Mineral Filled Polypropylene (MFPP) base have a high heat tolerance and are inherently durable	Microwave-safe for reheating once and can withstand temperatures of up to 250°F under heat lamps and in warming units; plastic will not crack or warp with heat
Roaster fits standard handled sleeve	Handled sleeve offers branding opportunity for the retailer and an easy way for the consumer to carry a chicken
Combo packed with equal amounts of lids and bases	Increases retailers operating efficiencies as bases and lids are together in one case
Label panels located on both ends of the lid	Retailers can easily attach their price label to the package

SPECIFICATIONS

Item Number	YCNC6011DPPZ
Description	MFPP/PP Chicken Roaster Small Combo
Item Dimensions (in.)	9.525 x 7.525 x 4.25
Gross Case Weight (lbs.)	11.3
Case Cube (cu.ft)	1.7
GTIN	00016194124101
Case Pack	80

* Medium and large sized roasters with OPS (Oriented Polystyrene) lids also available

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you. *PCR stands for post-consumer recycled material, which is material reclaimed and recovered after consumer use.

Reduce
We strive to minimize packaging, petroleum based materials and energy use across the supply chain.

Reuse
We are committed to using post-consumer recycled materials, where available to produce new products.

Recycle
We are actively engaged in projects to increase the recycling of all foodservice packaging into new manufactured products.

Renew
We utilize renewable and compostable resources.
