

For Food and Beverage Packaging...

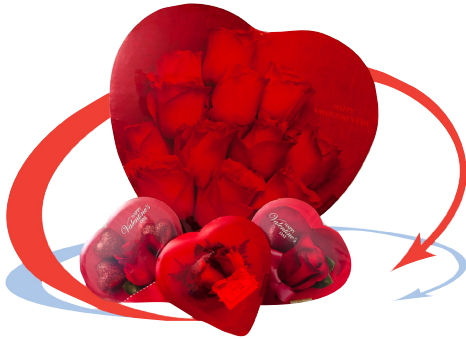

Whether wrapping fresh food or shelf-stable items, there is a Reynolon® Shrink Film suited to your application.

For direct contact applications, we offer a variety of films that comply with FDA regulations for food contact.

These films are ideal for packaging delicate items such as baked goods, candies, and taco shells.

Reynolon® Shrink Films keep gift baskets secure while showing off what's inside. Whether shrinking or gathering with a bow, Reynolon® has all the options!

Reynolon® Shrink Films look great on irregular packages.

Reynolon® Shrink Films are also your solution when wrapping gift baskets or packaged food and beverage products. And when wrapping promotional combinations or multi-packs, Reynolon's legendary toughness will let you rest assured that your bundle will stick together.

For eye-catching retail displays for delicate food items to promotional multi-packs, consider it wrapped with Reynolon®.
